NOTICE PURSUANT TO SECTION 11.1 OF THE ALBERTA *HUMAN RIGHTS ACT*

January 5, 2015

Dear Parent/Guardian:

On September 1, 2010, Section 11.1 of the Alberta *Human Rights Act* came into effect. Pursuant to this Act, the Calgary Board of Education is now required to provide parents/guardians with notice "where courses of study, educational programs or instructional materials, or instruction or exercises...include subject matter that deals **primarily and explicitly** with **religion, human sexuality or sexual orientation.**"

Your child is currently enrolled in the Alberta Education **Health and Life Skills** Program of Study in grade seven. The program aims to enable students to make well informed, healthy choices and to develop behaviours that contribute to the well-being of self and others. Three General Outcomes serve as the foundation for Health skills. They include wellness choices, relationship choices and life-long learning choices.

Human sexuality education is offered in grade seven as a mandatory component of the Program of Study and is contained in the following learning outcomes:

Examine the human reproductive process, and recognize misunderstandings associated with sexual development, identify the effects of social influences on sexuality and gender roles and equity; examine the influences on personal decision making for responsible sexual behaviour; examine abstinence and decisions to postpone sexual activity as healthy choices

For more specific information about these learning outcomes, parents may wish to go to <http://education.alberta.ca/teachers/program/health/programs.aspx>

Instruction involving the subject matter is expected to be provided commencing on: January 12, 2015 (the "Commencement Date").

Pursuant to Section 11.1(2) of the Human Rights Act, you as a parent/guardian may request that your child be excluded from the above-identified instruction, without academic penalty, by having your child either:

- a | leave the classroom or place where the instruction is taking place or where the instructional material is being used for the duration of that part of the instruction; or
- b | remain in the classroom or place where the instruction is taking place without taking part in the instruction or use of the instructional material.

Attached to this Notice is a form. You have two choices:

- If you want your child included in the instruction, there is nothing for you to do. Your child will be included in the instruction.
- If you want to exercise your right to exclude your child by one of the means indicated above (a or b) sign then return the attached *Student Exemption under Section 11.1 of the Alberta Human Rights Act* form or otherwise indicate in writing, to your child's teacher on or before the Commencement Date of the instruction.

If your child's teacher does not receive this form prior to the Commencement date, your child will be included in the instruction.

Only complete and return the attached form if you want your child exempted.

If you would like additional information about the content of this notification, please contact the teacher at 403-777-7680.
