4. Old Business

Rumina raised a question about the grade 8 field trip

Tammy advised that they are working with transportation, not enough drivers now. Not too much update currently. Also concerned about the teacher issue due to Miss Easton's absence.

Tammy also requested two small and a large item from casino money:

Small one: Need new clock, chess pieces \$160.

Rebics cube- around \$100 to get a few of them

Big one: Welcoming new grades 6 and 7 at the beginning of each school year. This will cost about \$6.50 per student, in a total cost of about @2,800. Advised the welcome celebration was done in the past two years. Wondering if the council could cover the cost for the coming school year.

Crystal thought it was a great idea to continue the welcome ceremony since it was already done for the past two years.

Kal – we will have to look into it.

Rumina – let us hold this off until the next meeting.

Daniel – the small items should be ok to go ahead.

Rumina – let us approve the \$160 and \$100 and wait for the next meeting.
